**St John's Cranbourne's old parish hall has been restored  
as the *St John's Community Hall*.**

This delightful, historic and well-appointed facility is available for booking now. Please see the colour photos throughout this brochure, showing the hall and its amenities.

To get a better idea of what this hall offers, please call 5996 8461 to make an appointment for an inspection.

The new name for the hall reflects the support received from the community in its restoration (especially The City of Casey and The Settlement Cranbourne – John and Mary Finning), and a **desire that it should become 'home' to numbers of community groups.**

## The Location

27 Childers St Cranbourne.

The hall is a separate building, adjacent to the St John's Church and the Bishop John Wilson Education Centre on the corner of Childers and Russell Streets, central Cranbourne.

The location is opposite the Cranbourne Primary School and two blocks from *Centro* and the bus station.

**Note:** 'The Bishop John Wilson Education Centre' also contains a number of spaces, of various sizes (seating 15, 25 and 90), available for community use. The black and white photos over the page show these spaces.
